We adore snapping up boudoir, high fashion, and all sorts of creative concepts. Plus, we're all about helping you put your best face forward for your brand and social media. Whether you're treating yourself or someone special, or even if you're building your online artistry or business, we've got your back! Come, let's make some photo magic together.

Products

Get ready to turn heads! We're more than just a photo studio - we're your go-to for all things glamorous and fun. We've teamed up with the crème de la crème of brands to bring you the best adult playthings and the most tantalizing lingerie. But we didn't stop there - we're also whipping up our very own body products and candles, right here under our own roof! And when it comes to top-of-the-line wellness or hemp products, we've got your back with our partner, Arieyl.

What's our mission? Simple. We're here to help you feel good, embrace your uniqueness, and shine like the star you are. So, who's ready to sparkle? We'll transform your snapshots into stunning works of art, memorable keepsakes or delightful gifts. Let's get glowing!

Brand Collaborations

We're head over heels for small businesses and we're dying to shine a spotlight on YOU! Why not send us a few of your favorite items and let our top-notch model team work their magic? We'll whip up a full-blown, tailor-made photoshoot that's just as unique as your brand, and gift you three fab photos for free! Plus, you'll have the chance to pick and choose from a gallery of shots at a sweet discount.

All we ask is to let your showcased items grace our client closet, spreading joy to all the lovely ladies who visit our studio. And of course, whenever your items steal the limelight on social media, we'll make sure to give you a shoutout!

In person events

Hey ladies, how about a monthly girls' get-together? We'll have toy demos, games, samples, and even a little learning thrown in for good measure. Need a place for your event? We've got you covered with our studio rental. And check this out: we host pop-up events too! Think paint nights, closet swaps, and more. Plus, we're always scouting for collabs with fellow women-owned businesses.

Let's uplift each other!

Adult Content Collaborations

Looking for something a tad spicier? Give us a follow on OnlyFans @glittersquadphoto and let's heat things up! And here's the sweetest part - we offer mega deals (we're talking 80% off, folks) for adult content creators! All we ask in return is a little cross-promotion. Let's share the love and reach new heights together!

Creative Budgets

In an effort to make your shoot as seamless as possible, your package will include a dedicated creative budget.

This budget can be used to incorporate specific props we have already invested in for the studio or to order your own unique costumes, props, and set components. We understand that 9 times out of 10 - you are purchasing photoshoot items as a one time use piece.

So, instead of paying for your shoot and then adding the expenses on as you shop for it, we have decided to discount it ALL and roll it into our pricing. The only “catch” is that the items will live at the studio for other women to use and enjoy! If there’s anything you know you will want to keep after - please do not include that in your creative budget list.

Below is a list of items we already have to offer you at a severely discounted price.

 Sex Swing \$50

 Bubbles/fog \$20

 St. Andrews cross \$100

 Golden arch \$25

 BDSM accessory bin \$50

 Bathtub \$50

 Client Closet \$50

 Mermaid tail \$100

 Fire Foam \$50

 Air mattress \$50
